16 Week Program

Power Edge Hockey Clinic provides instruction in the fundamentals of hockey, with a special emphasis on skating.

The beginner player to the highly skilled player, Power Edge Hockey School will develop and improve hockey skills for young players. Players will enjoy and excel at playing the fastest game on earth! Our philosophy is based on the idea that skating technique is first and foremost. Our goal is for each player to master the proper technique. Each skating drill is to develop a specific aspect of correct skating technique. Each player is individually supervised. As drills are executed, players receive immediate coaching where correction is necessary. Skills are taught and refined through specific drills and practices. We work to develop strength and improve weakness. We at **Power Edge Hockey School** strive to develop young hockey players to their fullest potential while maintaining their motivation. We create a **positive, enthusiastic, and fun** arena directed toward instilling a long lasting desire to play hockey.

**The Greatest Game on Earth!!!**
